

I do not want to see this go thru. I wish the law would stay the same as it is now. If this should get passed they should have to send to everyone who is on the no call list the names and phone numbers of every top executive who works at these places so we can call them at 2 or 3 in the morning or at dinner time or just whenever we dam well please and talk about things they do not care about or even want to hear. let them get a taste of their own medicine. If I wanted their product or what ever it is they are trying to do then I will call them at their place of business. I ABSOLUTLY do not and I mean DO NOT WANT TO BE BOTHERED AT HOME FOR SOME BULLSHIT THEY ARE TRYING TO PUSH.
